Dear Tribes,

It is with great pride that we announce our assistance in working with the Wahhoga Committee in Yosemite Valley to construct a Traditional Roundhouse in the Wahhoga village. This project is very dear to our tribe as the history of our ancestors began in Yosemite and has great sentiment to all Natives.

Work is scheduled to begin sometime early this summer and expected to be completed by the end of summer in 2017. We welcome and encourage you to join us and help support the Wahhoga Committee in this once in a lifetime endeavor. Any assistance you can provide will be greatly appreciated and beneficial to the success of the project. Financial contributions can be mailed directly to:

Wahhoga Committee

We hope you will join us as we embark on this project in an effort to support our Native people and preserve our heritage and traditions for generations to come. For updates on the project, please follow the Jackson Rancheria Band of Miwuk Indians on Facebook or call Wahhoga Committee member, Tony Brochini at (209) 742-4051 for additional information.

May Grandfather be with you all,
